

Abstract for the 13th INSME Annual Meeting

Session V

Creating a nurturing environment for SMEs

From the 15th to the 17th of May 2017
Puerto Vallarta - State of Jalisco, Mexico

Ms. Rossana Fuentes Berain

Founding CEO

Mexico Media Lab S21

Mexico

The Triple Hélix has an engine that runs (or falters) on what is the public discourse around cooperation. More and More we live in spaces that foster polarization. Globalization is used frequently as a bad Word, as is technology and automatization.

Fostering Frugal innovation, open regionalism, and integration into a global market should become a welcome narrative among stakeholders in the SME community
